CIRCULAR LETTER

Re: Dates for the General Conference World Assembly 2022

Dear brothers and sisters, members of the body of Christ,

Greetings with the Word of God in 1 Corinthians 5:4:

*“In the name of our Lord Jesus Christ, when ye are gathered together,
and my spirit, with the power of our Lord Jesus Christ...”*

Our hearts reach out to you in brotherly love and in the name of our Lord Jesus Christ, wishing you rich and abundant blessings from on high. May you grow in hope and faith in Him each day.

After a time of restrictions and limitations, we would like to inform you that, by God's grace, the next General Conference World Assembly and Delegates' Session will be held in Peru in October 2022. Peru has been blessed to have more than 6000 members in our church. The Sabbath School members are more than 15000 and we expect a high number of visitors from Peru, all Latin America, and the rest of the world for the World Assembly. Concerning the COVID-19 situation, Peru is rated as one of the safest places, ahead of the United States and some European countries. In addition, there are plenty of unique tourist sites that you may consider visiting before or after the conference.

The delegates will meet from October 4-22, 2022 tentatively in the newly built clinic Carlos Kozel in the city of Huaral, one and a half hours' drive from the capital Lima. The clinic has a large therapy module, restaurant and cafeteria, and facilities to accommodate about 150 patients at any given time. This project is being done in partnership between the General Conference and the Peruvian Union and we believe it will contribute towards the further proclamation of the three angels' messages, providing health services to many souls in need. We are in the process of construction and, according to the estimation of our engineers, the project will be completed by the end of July 2022. As a back-up plan for the delegates' session, we have a reservation with the Centro Vacacional Huampaní. For all delegates, we will send additional information and forms to

be filled up. If you are a delegate, please register on our webpage sda1844.org and you will receive all necessary information for your travel and stay in Peru.

The public conference following the delegates' session will be held in the city of Cajamarca, Peru. This is a mountain-rich, famous, and historically important tourist center with hot mineral springs and plenty of archaeological sites. Cajamarca is located in north central Peru and it is the old capital of the Inca civilization. The climate is cool and pleasant. In addition, there we will have a big modern stadium with sufficient capacity to hold all international and local visitors while observing social distancing and safety measures.

We wish to invite all brothers, sisters, and friends to make plans to travel and visit our public conference in Peru. Do not miss this great spiritual and cultural celebration! You will meet and have fellowship with the brothers and sisters from all around the world and will be filled with joy and enthusiasm. The conference will be held from Tuesday, October 25 through Sabbath, October 29, 2022. Please be sure to arrive before October 25 so that you may enjoy all the lectures, experiences, music, and songs that will be part of the international program. We are planning to have parallel programs for the youth and children. After the conference, organized field trips will be available for those who wish to visit different tourist sites. Tentatively, the registration form for visitors will be published on our website sda1844.org after June 1, 2022.

May the Creator of all things bless you and may His robe of righteousness cover you in holiness.

Sincerely,
Your servant in the Lord,

Pastor Tzvetan Petkov
General Conference President
